**Acute and chronic medical care.**

---

**Women's health care.**

---

**Dental care.**

---

**Mental health care.**

Samaritan Health Ministries is a nonprofit clinic whose mission is to provide high-quality, affordable health and wellness services to uninsured families in Williamson and Travis Counties.

We hold a new-patient enrollment and walk-in clinic on Mondays at 3:45pm. New patients are financially screened and pay a sliding fee co-payment for services. Co-pays cover patient visits, labs, and medications from our pharmacy. Please bring a photo ID, recent pay stub, and utility bill to your first visit. Once enrolled, patients can schedule appointments throughout the week.
